EN149:2001 Approved

Product Benefits & Features

085810E: 20 respirators/box

**5810E FFP2
RESPIRATOR
EN149:2001
APPROVED**

Product Benefits

MAXIMUM DURABILITY AND ECONOMY

- **Superior headstrap construction**
Heavy duty polymer headstraps stand up to tough use; *ultrasonically welded* eliminates strap breakage, lowering cost of usage.
- **Welded double-shell construction**
Eliminates structural collapse due to moisture or high humidity. Assures longer use and maximum economy.
- **Maintenance-free design**
Saves money by eliminating cleaning and repair.

MAXIMUM COMFORT

- **Softest inner lining**
Smoother, more comfortable and non-irritating.
- **Smooth, prestretched head straps**
Made from a unique polymer compound, that won't catch on hair or irritate skin. And, they're prestretched so they're easier to put on and more comfortable to wear.
- **New low profile**
Fits better with glasses and goggles.

MAXIMUM PERFORMANCE

- **Contoured adjustable nosepiece and foam seal**
Adjustable aluminum nosepiece is actually contoured for improved facial fit and comfort. Inner foam seal provides added comfort and protection.
- **Special micro-fiber filter**
Easier breathing and high filtration assure wearer both comfort and safety.
- **Superior fit**
For use up to 10X Occupational Exposure Limits (OEL).

USAGES

- **Use for:**
 - Dusts from processing minerals, coals, lead, iron ore, cotton, flour and certain other substances.
 - Mists from sprays that do not produce harmful vapors.
- **Do not use for:**
 - Paint spray, welding fumes and any other fumes, gases, or vapors; asbestos or sandblasting. This respirator does not supply oxygen.
